Masking Up CFL Parents Our Heroes and Sheroes

CFL is working hard to curb the spread of the Corona Virus and all of its variants. We would like to shout out Christopher Lawson, Kera Watts (Harper) and Kendra Dove (Grant) for providing reusable cloth mask for our students. As our weather starts to turn colder and more inclement we will see more symptoms that mimic the Corona Virus. Please understand we are not medical professionals and students exhibiting any signs or symptoms should stay home or they will be sent home.

Parents please make sure your child has a clean appropriately fitting mask each day they attend school. We do have disposable mask however those are reserved as replacement mask in the event your child's mask is damaged or soiled.
